W. K. Glenn Assistant Department Head
Email: kglenn@clemson.edu

NURSERY STOCK DEFINITION

Nursery stock means all fruit, nut, and shade trees, all ornamental plants and trees, bush fruits, buds, grafts, scions, vines, roots, bulbs, seedlings, slips or other portions of plants (excluding true seeds) grown or kept for propagation, sale, or distribution. Also includes any other plant included by the Director, if regulating its movement is necessary to control any plant pest.

GENERAL SHIPPING REQUIREMENTS

All nursery stock shipments entering South Carolina must be accompanied by a valid Nursery Certificate Tag (or its equivalent) from the state of origin and an invoice showing contents of the shipment. The nursery certificate tag must indicate that the plant material is apparently free of all plant pests and shall include the name and address of the producer and/or shipper.

Nursery dealers and agents of nursery stock must execute a "Nursery Dealer Certificate-Source Verification/Request" and receive a Nursery Dealer Certificate from the Department of Plant Industry prior to selling or offering plant material for sale in South Carolina. All plant material offered for sale must be from a certified source.

For additional information, refer to the Department of Plant Industry web site:
<http://dpi.clemson.edu/>. South Carolina regulations and quarantines are available through the "Regulatory Authority" link on the home page.

NOXIOUS WEEDS

STATE NOXIOUS WEEDS:

Eichornia crassipes Water Hyacinth
Alternanthera philoxoides Alligatorweed
Trapa natans Water Chestnut, Water Nut

<i>Egeria densa</i>	Brazilian Elodea
<i>Hydrilla verticillata</i>	Hydrilla
<i>Ludwigia uruguayensis</i>	Water Primrose
<i>Myriophyllum spicatum</i>	Eurasian watermilfoil
<i>Najas minor</i>	Slender Naiad
<i>Phragmites communis</i>	Common Reed
<i>Salvinia molesta</i>	Giant Salvinia

The importation into South Carolina, or the sale or distribution of these noxious plants within the state is prohibited per Article 6.1 and Noxious Weeds Regulations, SC Seed Law, and Noxious Weeds Law. This law is administered by the SC Department of Agriculture.

FEDERAL NOXIOUS WEEDS: South Carolina adopted the lists of federal noxious weeds as designated under the Noxious Weeds Regulations, Section 360.200, of Code of Federal Regulations. They are incorporated into SC Code of Regulations [27-135], Designation of Plant Pests (See Regulatory Authority at <http://dpi.clemson.edu/>).

QUARANTINES OR ADDITIONAL REQUIREMENTS

WITCHWEED QUARANTINE

PEST: Witchweed, *Striga asiatica* Lour.

STATES REGULATED: NC, SC

MATERIALS REGULATED: Soil, compost, decomposed manure, humus, muck, and peat, separately or with other things; sand and gravel. Plants with roots, grass sod, plant crowns and roots for propagation. True bulbs, corms, rhizomes, and tubers of ornamental plants. Root crops, except those from which all soil has been removed. Peanuts in shells and peanut shells, except boiled or roasted peanuts. Small grains and soybeans. Hay, straw, fodder, and plant litter of any kind. Seed cotton and gin trash, stumpwood, long green cucumbers, cantaloupes, peppers, squash, tomatoes, and watermelons, except those from which all soil has been removed. Pickling cucumbers, string beans, and field peas. Cabbage, except firm heads with loose outer leaves removed. Leaf tobacco, except flue-cured leaf tobacco. Ear corn, except shucked ear corn. Used crates, boxes, burlap bags, cotton picking sacks, and other used farm product containers. Used farm tools, used mechanized cultivating equipment, used harvesting equipment and used mechanized soil-moving equipment.

RESTRICTIONS: Regulated articles may enter SC only if accompanied by a valid certificate or limited permit issued in compliance with the federal Witchweed quarantine by a duly authorized State or Federal Regulatory Official of the state of origin.

IMPORTED FIRE ANT QUARANTINE

PEST: Imported Fire Ant, *Solenopsis richteri* Forel; *Solenopsis invicta* Buren.

STATES REGULATED: Entire states of AL, FL, LA, MS and the Commonwealth of Puerto Rico; and portions of AR, CA, GA, NC, NM, TX, OK, TN and SC.

REGULATED ARTICLES: Same as listed in federal IFA quarantine.

RESTRICTIONS: Regulated articles may be admitted into SC when they have been processed in such a manner as to eliminate the risk of disseminating the imported fire ant and have been so certified by a duly authorized State or Federal Regulatory Official of the state of origin. Each article or shipment must be accompanied by a certificate or permit. See also Federal Imported Fire Ant Quarantine.

PHONY PEACH DISEASE QUARANTINE

PEST: Phony Peach, Rickettsia-like bacterium.

STATES REGULATED: AL, AR, FL, GA, LA, MO, MS, NC, SC, TN, TX.

MATERIALS REGULATED: All peach, plum, apricot, nectarine and almond nursery stock.

RESTRICTIONS: Shipments of regulated articles are permitted only when a valid nursery inspection certificate of the state of origin bearing the name and address of the consignor is securely attached to the outside of each shipment. Nurseries must also file or mail an invoice to the Department of Plant Industry at the time of shipment showing the following information: (1) name and address of shipper; (2) producer of stock, if different from shipper; (3) date of shipment; (4) name and address of purchaser, and (5) name and address of receiver, if different from purchaser. Contact the Department of Plant Industry for specific certification requirements.

SWEET POTATO WEEVIL QUARANTINE

PEST: Sweet Potato Weevil, *Cylas formicarius elegantulus* (Sum.)

STATES REGULATED: AL, AR, FL, GA, LA, MS, SC, TX

MATERIALS REGULATED: Any living stage of the sweet potato weevil; sweet potato roots, tubers, plants or vines; any vines, roots, etc. of *Ipomoea* spp.

RESTRICTIONS: Regulated articles must be accompanied by a valid sweet potato inspection tag issued by the state of origin. Each container shall have an official certificate firmly attached. Sweet potatoes from regulated areas will be admitted into South Carolina only after fumigation with methyl bromide and state of origin certification.

SC - 4

BOLL WEEVIL QUARANTINE

PEST: Boll Weevil, *Anthonomus grandis* Boheman.

STATES REGULATED: AL, AR, AZ, CA, FL, GA, LA, MS, OK, SC, TN, TX.

MATERIALS REGULATED: Any living stage of the boll weevil; seed cotton, gin trash; cotton plants/parts; and used cotton equipment.

RESTRICTIONS: Regulated articles moving from any generally infested area or outside regulated areas into or through eradication areas of South Carolina must be accompanied by a certificate or permit issued by an authorized regulatory official in the state of origin. Regulated articles originating outside the regulated area may be moved without a certificate or permit provided the point of origin is proven to the satisfaction of our inspector.

TROPICAL SODA APPLE QUARANTINE

PESTS: Tropical Soda Apple (*Solanum viarum* Dunal).

STATES REGULATED: All infested sites or counties in the following states: AL, GA, FL, MS, LA, NC, SC, TN, PR

MATERIALS REGULATED: Tropical Soda Apple in any living stage of development; hay, crops, seed, turfgrass, or any other article grown or produced on infested land; livestock or other herbivorous animal that grazed or had access to infested land; cattle trailers and other animal transporters used to transport livestock from infested areas..

RESTRICTIONS: A certificate or permit issued or authorized to be issued by an inspector of the state of origin shall accompany the movement of any regulated articles from infested states or infested areas in South Carolina. Unpermitted regulated articles will be returned to point of origin, except in the case of livestock proceeding directly to slaughter. Certificates may be issued provided the regulated articles (1) originated in non-infested premises in a regulated area and have not been exposed to infestation within the regulated area; or (2) have been examined and found to be free of infestation; or (3) were grown, stored, or handled in such a manner that no infestation would be transmitted; or (4) specifically in the case of herbivorous livestock, have been held in conditions free of fruiting TSA for at least 6 days prior to commencing movement from the infested area.

South Carolina is designated a regulated area. No regulated article can be moved unless authorized. Livestock conveyances hauling livestock from infested areas must be washed at a registered designated wash-out station or infested site. Waste from designated wash-out stations may not be moved.

PHYTOPHAGOUS SNAILS QUARANTINE

PEST: Phytophagous snails.

STATES REGULATED: All infested areas in the states of AZ, CA, FL, HI, MN, NM, OR, TX, WA, or any other areas infested with phytophagous snails.

MATERIALS REGULATED: Nursery stock, other plant material, and articles capable of transporting phytophagous snails, including used containers and trash, and all phytophagous snails.

RESTRICTIONS: Raising, maintaining and/or holding phytophagous snails is prohibited. Movement of phytophagous snails in any stage of development is prohibited.

TOMATO TRANSPLANTS

PESTS: Leaf spots, wilts, blights, viruses, nematodes, insects, and mites.

STATES REGULATED: All states that commercially produce tomato transplants for interstate shipment.

MATERIALS REGULATED: Greenhouse and field-grown tomato transplants.

RESTRICTIONS: All tomato transplants moved into South Carolina must be inspected and certified free from injurious insects, nematodes, and plant diseases, except that no tolerance shall be allowed for late blight (*Phytophthora infestans*). All plants must have a valid inspection certificate issued by the state of origin attached to each container. Each load must have a master certificate giving the total number of containers, the point of origin, consignor and consignee.

SEED SWEET POTATOES AND SWEET POTATO PLANTS

PESTS: Black rot, stem rot, sweet potato weevil.

STATES REGULATED: All states.

MATERIALS REGULATED: Sweet potato roots, tubers, plants, vines, cuttings, draws and slips.

RESTRICTIONS: Regulated articles are allowed only if accompanied by an inspection certificate from the state of origin.

SEED IRISH POTATOES

PESTS: Various insects, diseases and nematodes.

STATES REGULATED: All states.

MATERIALS REGULATED: All certified Irish potatoes intended for seed purposes and sold, offered for sale, or distributed as such.

SC - 6

RESTRICTIONS: Certified seed potatoes may not be moved into South Carolina unless there is attached to each container a valid certification tag of the state of origin and unless the containers, if sacks, are closed by a lead seal or mechanical sealer.

TOBACCO TRANSPLANTS

PESTS: Any plant pest which is regarded as injurious.

STATES REGULATED: All states.

MATERIALS REGULATED: Tobacco plants.

RESTRICTIONS: (1) No person, firm, company, partnership or corporation shall pack, transport, sell or offer for sale, ship or bring into or plant in this state any tobacco plants produced out of state unless such plants are certified tobacco plants.

(2) Only certified tobacco plants shall be sold or offered for sale in South Carolina.

Tobacco plants shall meet South Carolina Code of Regulations, Article 4.
